

IndyHumane: Financial Aid for Summer Camps

Financial Aid Registration Forms, non-refundable Registration Fees, proof of taxable household income, and fees for Additional Camp Shirts must be submitted by 7pm on 03/01.

Financial Aid Registration Forms will not be processed until non-refundable Registration Fees and proof of taxable income are received.

Important Note

After submitting your Registration Form and paying your Registration Fee, send an email to Shawna Sims, Director of Volunteer Services, to notify her that these tasks are complete. It is, at that point, your Registration Form will be reviewed, and discounts applied.

What is Covered?

Financial Aid may cover all or part of the Camp Balance (balance remaining after the non-refundable Registration Fee is paid) for 1 Summer Camp Session. Financial Aid will not cover your non-refundable Registration Fee, Extended Care, or Extra T-Shirts that are ordered.

Income Limits

Lower Camp Fees are available on a sliding scale if your household's annual income is below \$30,000, and Camp Balances (balance remaining after the non-refundable Registration Fee) may be waived for households earning less than \$15,000 per year.

Proof of Taxable Income & School Lunch Program

To request financial aid, you must submit proof of taxable household income (such as a copy of your 2017 federal tax form) and proof of participation in a School Lunch Program for the 2017-2018 School Year. These forms can be submitted via your Camp Dashboard or you can email the forms to ssims@indyhumane.org. Information will be kept confidential.

Registration Fee

There is a non-refundable Registration Fee of \$100 due with each Financial Aid Registration Form that will hold a spot for the camper. If this fee is an issue for your family, a reduction may be possible based on your taxable income. You will need to contact Shawna Sims at 317-876-2420 to discuss this option.

Registration Process

Complete the whole Registration Form along with submitting Forms needed to determine your eligibility. When you get to the Payment Page, select the Payment Plan Option and pay your non-refundable Registration Fee. Once your Registration Form is reviewed, we will apply the discount for the remaining balance and then notify you with details.
