Any medications (labeled, and with a signed letter regarding how and when to dispense medication)

What should my child not bring to camp?

- 🐾 Cell phones - If your child brings a cell phone, it will need to be turned off or put away in the Volunteer Office during camp hours. (May be used during Extended Care/Lunch)
- 🐾 Electronic toys, mp3 players, or video game devices
- 🐾 Personal pets
- 🐾 Weapons

How many t-shirts will my child receive?

Each Camper will receive 2 shirts. Additional shirts may be ordered via the Registration Form.

What should my child wear each day? **Campers who are not dressed properly will not participate in animal-related activities.**

- 🐾 Camp Shirt
- 🐾 Full Length Pants (preferably jeans/no shorts/no skirts - unless for religious reasons)
- 🐾 Tennis Shoes (no flip flops/sandals/no lights/no sounds)
- 🐾 Nametag

Why do the Campers assist with tasks such as laundry, dishes, and yard clean up?

This is an animal shelter and the goal of the camp is to teach children why IndyHumane is an important part of our community and that homeless animals need proper care until they find a new home. Proper care includes making sure they have clean towels, clean bowls, clean kennels, and clean yards in which to spend time as well as receiving lots of love from people. An animal shelter that only focused on cuddling animals would not be very effective.

Will my child be able to group up with his/her friend if they sign up to be in the same session?

Each camp day includes activities for the full group as well as small groups. These groups are shuffled regularly to encourage kids to interact with new people throughout the week. Campers who attend with friends will have plenty of opportunities to be together, but we will not guarantee that they will participate in every activity together.

May parents drop in to be with their child during camp hours?

Parents are welcome to visit any day of camp. Parents may join their child for the day or a portion of the day to see what camp is like. All that is required is that Parents sign up ahead of time, complete a waiver, and follow the dress code.

Will my child be provided a snack?

Each day the Campers are provided a light snack and a drink during break. Campers are welcome to bring additional snacks/drinks from home. Food Allergies should be marked on the application.

Are there other opportunities available to Campers outside of the camp sessions?

Fall Paws Campers are also eligible to participate in our [Parent & Me Volunteer Program](#) as long as they have an adult, who is at least 21 Years of Age, to train and volunteer alongside them.

What supervision is provided for Campers during the youth camps?

Campers are put into small groups of 2-4 students. Each group is assigned 1-2 Camp Counselors who will guide them through their daily task. There will also be 1 Head Camp Counselor and the Volunteer Programs Staff watching over everyone.

How do I report complaints about Camp Staff?

If you or your child have a complaint about an interaction with a Camp Staff Member, immediately following the incident, report details in writing via email to ssims@indyhumane.org.

What is the Camp Disciplinary Action Plan?

To help maintain the safety and wellness of campers, staff, volunteers, animals, and the public, the following discipline policy has been established.

Disciplinary action may be taken if a camper displays undesirable behavior that interferes with or disrupts the camp program. Examples of this behavior include inappropriate language, making fun of or insulting others, bullying, using profanity, harming or frightening the animals, physically harming others, not following directions, or unwelcome actions that make other campers feel uncomfortable.

Consequences to undesirable behavior are as follows:

- First offense: Verbal warning from camp staff
- Second offense: 30-minute time out; discipline report filed; follow-up call to parent/guardian
- Third offense: Removal from camp; no refund will be given in this occurrence

In the event of extreme infractions, IndyHumane reserves the right to remove a camper from the program immediately without prior warnings.
