Note about COVID-19 and Camp Safety

We truly hope to hold a great camp this year. As an animal shelter, we already have some important cleanliness rules implemented, such as hand hygiene, using hand sanitizer, using lint rollers, and using gloves when appropriate.

The health and safety of Campers and Staff remains a high priority. Below is a summary of actions we will be taking to help ensure we are lowering COVID-19 risks as much as possible.

- 🐾 Masks will be required for all Camp Staff and Campers, just as they are required for all IndyHumane Staff (Paid & Volunteers) and Patrons. A mask for each Camper will be included in the Camp Package this year.
- 🐾 Campers should bring their own water and water bottles to avoid needing to use water fountains.
- 🐾 There is a schedule for increased routine cleaning and disinfection of all supplies and frequently touched surfaces. We will limit the number of shared items between Campers and Camp Staff.
- 🐾 We will prioritize outside activities as the weather permits.
- 🐾 Grouping of Campers
As it has been in previous years, you can list other Campers you would like to be grouped with during your week at camp via your Registration Form. Groups will remain unchanged throughout the week unless there are behavior issues. The same Campers and Camp Counselor(s) will be with each other throughout each day during the camp week. We will have group presentations, but groups will be spaced out.
- 🐾 Symptoms
 - We will take the temperature of each Camp Staff Member and Camper at the start of each day. Campers or Camp Staff with a temp of 100+ degrees Fahrenheit will not be permitted to stay at camp.
 - Any Camp Staff Member showing symptoms of illness will be asked to stay home and not return to work until they are symptom free (unmedicated) for at least 48-hours and have a negative COVID-19 test result.
 - Campers who are showing symptoms of illness will need to stay home.
- 🐾 If a Camper gets sick, we have identified an area where they can isolate and rest until they are able to be picked up by a Parent/Legal Guardian. They should be picked up within 1-Hour IndyHumane notifying their Parent/Legal Guardian.
- 🐾 Any Camp Staff Members or Campers who have been in close contact with someone who has tested positive for COVID-19 will be asked to not report to camp. Camp Staff Members will need to quarantine for 14 days and be symptom-free before they may return to work.
- 🐾 When we are made aware that a Camper or Camp Staff Member has tested positive, it is our policy to notify all Parents and Staff who are a part of the group and require them to depart from camp. Parents will be instructed to come to camp within 1-Hour to pick up their Campers. Camp Staff will be instructed to depart camp as soon as all Campers from the group have departed. This policy is designed to keep camp safe and healthy and not spread the virus. It also emphasizes the importance of good hygiene practices prior to camp and during the camp session.

Summer Camp FAQ

Why do I have to pay for my child to volunteer?

You are not paying for your child to volunteer. Camp Fees cover the cost of attending a camp, Camp Staff stipends/pay, camp visitors, t-shirts, and program supplies such as arts & crafts, and snacks.

What are my options for payment of the Camp Fee?

Option #1: Submit full payment when Registration Forms are completed.

Option #2: Submit Registration Fee when Registration Forms are completed and then set up a payment plan for the remaining balance to be paid on 05/04. May set up automatic withdrawal with Credit Card or must send in payment via cash, check, or money order by end of day 05/04.

Can my child participate in more than one summer session?

Yes, but please note, the agenda each week will be the same.

May children with allergies (cat and/or dog) sign up for camp?

Unfortunately, we are unable to accommodate children with severe allergies to animals as animals are involved in many of our activities.

Does IndyHumane offer financial aid or scholarships?

Yes, financial aid is available for qualified applicants (must submit documents supporting need). Please note that each eligible child may receive financial aid for one (1) session of camp per summer. The deadline for financial aid requests is April 1st.

If my child is absent during their summer session, will I receive a refund for days missed? Can my child have make-up shifts in other camp sessions?

Refunds will not be given for days missed and make-up days in other sessions will not be scheduled.

My child is signed up for a camp session and we have received the confirmation, but now we would like to switch to another camp session.

After receiving your camp session confirmation, you may not switch camp sessions. In extreme circumstances, if there is an opening in the camp session you would like to switch to, you will be charged a \$50 admin fee.

What is the cancellation and refund policy?

To assist everyone in finalizing camp plans, please notify us as soon as possible if your child will not be able to attend camp this year. This will give IndyHumane time to notify families on the waiting list of the opening.

- All cancellations must be sent using the [Camp Cancellation Form](#).
- For Cancellations received prior to 05/01, we will provide a 50% refund of fees paid EXCEPT the non-refundable Registration Fee (or adjusted financial aid tuition), convenience fees paid, and fees for additional camp shirts purchased.

Every effort, within our control, is made to accommodate campers with special needs, including campers with behavioral challenges. Parents/guardians of children who need special attention or have behavioral challenges must notify us of the situation in the "additional notes" section of the application and talk with the Director of Volunteer Services. Campers with behavioral disorders that may continuously interfere with or disrupt the camp program must have an aide present. IndyHumane is not a public system that provides professionally trained staff or aides who work with special needs populations. Therefore, the camp staff is not trained specifically to work with certain special needs populations. Please communicate any or all specific needs your child may require.

Please Note: One of the meeting spaces for our camp is in an Upstairs area that is not wheelchair accessible.

What should my child bring with them each day?

- 🐾 Face Mask

- 🐾 Sunblock and Sunhat
- 🐾 Label everything with Camper's name
- 🐾 Any medications (labeled, and with a signed letter regarding how and when to dispense medication)

What should my child NOT bring to camp?

- 🐾 Cell phones - If your child brings a cell phone, it will need to be turned off or put away in the Camp Director's Office during camp hours. (May be used during Extended Care/Lunch)

How many t-shirts will my child receive?

Each Camper will receive 2 shirts. Additional shirts may be ordered via the Registration Form.

What is the Camp Dress Code? **Campers who are not dressed properly will not participate in animal-related activities.**

- 🐾 Face Mask
- 🐾 Current Year Camp Shirt
- 🐾 Full Length Pants (preferably jeans/no shorts/no skirts - unless for religious reasons)
- 🐾 Tennis Shoes (no flip flops/sandals/no lights/no sounds)
- 🐾 Nametag

Why do the Campers assist with tasks such as laundry, dishes, and yard clean up?

This is an animal shelter and the goal of the camp is to teach children why IndyHumane is an important part of our community and that homeless animals need proper care until they find a new home. Proper care includes making sure they have clean towels, clean bowls, clean kennels, and clean yards in which to spend time as well as receiving lots of love from people. An animal shelter that only focused on cuddling animals would not be very effective.

Will my child be able to group up with his/her friend if they sign up to be in the same session?

You may request to be grouped with other Campers via your Registration Form. With good behavior in play, we will do our best to respect requests within our Group Limits. Otherwise, each camp day includes activities for the full group as well as small groups. Typically, these groups are shuffled regularly to encourage kids to interact with new people throughout the week. Due to COVID-19, groups will stay the same throughout the week.

May parents drop in to be with their child during camp-hours?

Due to COVID-19, we are not allowing anyone other than Campers, Camp Staff, Staff (Paid & Volunteer), and Patrons with Appointments in the shelter.

Will my child be provided a snack?

Each day the Campers are provided a light snack and a drink during break. Campers are welcome to bring additional snacks/drinks from home. Food Allergies should be marked on the application.

Are there other opportunities available to Campers outside of the summer sessions?

After all summer camp sessions are completed, Campers, who are 13+ years of age by August 1st, may sign up for set weekly Volunteer Shifts. Shifts will go through April of the following year.

What supervision is provided for Campers during the summer camps?

Campers are typically put into small groups of 2-4 students. Each group is assigned 2 Camp Counselors who will guide them through their daily task. There will also be 2 Head Camp Counselors and the Volunteer Programs Staff watching over everyone.

How do I report complaints about Camp Staff?

If you or your child have a complaint about an interaction with a Camp Staff Member, immediately following the incident, report details in writing via email to ssims@indyhumane.org.

What is the Camp Disciplinary Action Plan?

To help maintain the safety and wellness of Campers, Staff (Paid & Volunteer), Animals, and the Public, the following discipline policy has been established:

Disciplinary action may be taken if a camper displays undesirable behavior that interferes with or disrupts the camp program. Examples of this behavior include inappropriate language, making fun of or insulting others, bullying, using profanity, harming, or frightening the animals, physically harming others, not following directions, or unwelcome actions that make others feel uncomfortable.

Consequences to undesirable behavior are as follows:

- First offense: Verbal warning from Camp Staff
- Second offense: 30-minute time out; discipline report filed; follow-up email to parent/guardian
- Third offense: Removal from camp; no refund will be given in this occurrence

In the event of extreme infractions, IndyHumane reserves the right to remove a Camper from the program immediately without prior warnings.
