2019 impact report

indyhumane

dear friends,

As we enter our 115th year serving the Indianapolis community, we have much to reflect on. This year-end report gives you a comprehensive overview of all that we accomplished in 2019.

As always, our focus on our primary mission never wavered. I am very proud of all that we achieved together for homeless pets and for the Indianapolis community. Through the wonderful financial support of many thousands of people, our privately funded agency remained financially sustainable. Mutt Strut, our largest fundraising and outreach event, broke records which had held strong for six years or more. Through sheltering, behavior, medical care, low-cost spay/neuter, summer camps for kids, or community education, our volunteers served more than 10,000 animals across Indianapolis and beyond.

In 2019, 3,800 animals found shelter, safety, and needed medical care at IndyHumane. They then found their forever homes and found love, trust, and family.

IndyHumane is a constant and important thread in the tapestry of Indianapolis. Thank you for sharing your love of animals and for your ongoing support.

Respectfully,

David R. Horth
Chief Executive Officer

our team for 2019

Board of Directors

indyhumane

IndyHumane's mission is to improve animal welfare in central Indiana. We are committed to ending the cycle of pet overpopulation, providing affordable pet ownership, and ensuring the well-being, health and safety of all animals in our care. We strive to promote the human animal bond and the powerful impact this mutually beneficial relationship has on individuals, families, and the Indianapolis community.
