

Michigan Road Low-Cost Vaccine Clinic Coordinator

Job Description

Serving Indianapolis and the surrounding counties since 1905, IndyHumane provides vital services to animals and people alike through sheltering and adopting animals, providing positive reinforcement behavior training for adoptable animals through our behavior programs, and outreach through our community and shelter programs.

Title Vaccine Clinic Assistant

Department(s) Medical

Reports to Vaccine Clinic Manager

Job summary

The vaccine clinic coordinator is responsible for successful vaccine clinic operations; including excellent customer service to all patrons, staff members and volunteers that visit the vaccine clinic and consulting with all vaccine clinic clients to ensure that animals and clients are treated in a manner consistent with organizational policies, procedures, beliefs and mission.

Work environment:

The offices and operations of a low-cost clinic can be high stress and very busy at times. This position is 4 ten hour days. However, the schedule can change and may occasionally require weekend or evening hours to complete the job.
